Back for their fourth appearance at the Mammoth Lakes Jazz Jubilee, High Street is a show band that has both aesthetic appeal and solid musicianship. As one of the northwest's most entertaining bands, High Street has a repertoire that includes cover songs and original tunes in a mixture of Swing, Jazz, Latin and Blues. This makes for good listening and dancing music.

This 10 to 11 member group has performed at Walt Disney World, the late Boise River Festival, the Bite of Portland and on the Norwegian Cruise Line. They have also opened for Huey Lewis and the News and were the showcase band for an International Festivals and Events Association convention which is where we discovered/booked them. Do you recognize the green coat and hand from our 2004 brochure and poster?
