The Titan Hot Seven is filled with familiar faces. Founded by the late Louis Brown as a quintet, the band has several members who were/are associated with the Jack Daniel's Silver Cornet Band, including Danny Coots & Jerry Krahn.

This Nashville based Hot Jazz band became seven pieces in 1998, when Bob and Jeff jumped on board here at this Jubilee; making the Titan Hot 5 the Titan Hot 7. This versatile group, plays everything from Traditional Jazz, Swing, ballads, ragtime and novelty tunes with spontaneous, outrageous humor. We are very excited to welcome them back for their ninth outing together in Mammoth Lakes.

They now have 5 CD's and "solo" albums that have been highly rated by Cam Miller-American Rag columnist.

You can count on every show to be full of surprises, and plenty of good music; after all, this 7 piece band was really created here in Mammoth.
